

KRISTOF DE CLERCQ GALLERY

Joris Ghekiere

Born in 1955 in Kortrijk, Belgium.

Lived and worked in Klein Willebroek, Belgium | † 2016

Belgian artist Joris Ghekiere took up a unique and ambiguous position as a painter. He did not stick to one methodology, but explored various painting techniques and styles. In his work, internet images or his own photographs often serve as a starting point. This leads to an oeuvre in which figurative images and abstract images interact.

Joris Ghekiere lived and worked in Klein Willebroek, where his artistic legacy is now managed by the Joris Ghekiere Foundation.
